注意

-
- The diagram illustrates the hierarchical structure of a 1024-point FFT. It consists of 7 rows of boxes. The first row has 1024 boxes, the second has 512, the third has 256, the fourth has 128, the fifth has 64, the sixth has 32, and the seventh has 16. Each box in a row is connected to two boxes in the row below it, forming a binary tree structure. The boxes are labeled with numbers from 0 to 1023 in a specific pattern.
